Independent Auditor's Report

To the Board of Directors of the Economic Opportunities Advancement Corporation Of Planning Region XI

Report on the Financial Statements

We have audited the accompanying combined financial statements of the Economic Opportunities Advancement Corporation of Planning Region XI ("EOAC") and Waco Charter School ("School") (collectively, the "Organization"), which comprise the statements of financial position as of April 30, 2020, and the related statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4828 Loop Central, Suite 1000 Houston, TX 77081 Phone: 713.968.1600 Fax: 713.968.1601

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of April 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The combining financial statements on pages 19 through 22 are presented for purposes of additional analysis and are not a required part of the basic combined financial statements of the Organization. Similarly, the accompanying schedule of expenditures of federal awards on pages 23 through 24 is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), and is also not a required part of the basic combined financial statements of the Organization. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the combined financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated January 25, 2021, on our consideration of Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Organization's internal control over financial reporting and compliance.

NOTES TO COMBINED FINANCIAL STATEMENTS YEAR ENDED APRIL 30, 2020

1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Organization

Economic Opportunities Advancement Corporation of Planning Region XI (EOAC) is a nonprofit organization chartered by the State of Texas and organized for the purpose of providing community services in the counties of Bosque, Ellis, Falls, Freestone, Hill, Johnson, Limestone, McLennan, and Navarro. EOAC is funded principally through direct federal grants from the Department of Health and Human Services and various grants passed through Texas State Agencies. Local support is in the form of contributions and donated services. Activities include operating Head Start Centers for qualified children, operating a charter school, contracting with providers of day care services for children under Child Care Services, and the weatherization of personal residences.

Waco Charter School (School) is an unincorporated division of EOAC, a Texas non-profit corporation. EOAC and School, known collectively as the Organization. The purpose of School is to provide education for elementary school students who are at risk. The School is governed by a fifteen-member Board of EOAC (Board). The Board has governance responsibilities over all activities related to the education within the jurisdiction of the School. The Board is appointed and has the exclusive power and duty to govern and oversee the management of the School. All powers and duties not specifically delegated by statute to the Texas Education Agency (TEA) or to the State Board of Education are reserved for the Board, and the TEA may not substitute its judgment for the lawful exercise of those powers and duties by the Board. The School receives funding from local, state and federal government sources and must comply with the requirements of those funding entities. The School only operates this single charter school and did not conduct any other charter or noncharter activities. The School utilizes an August 31 fiscal year end in accordance with requirement of TEA. In addition, the School has a separate independent audit. The results of the operations of the School as of April 30, 2020 are included in the accompanying combined financial statements, Complete financial statements for the School year ended August 31, 2020 may be obtained from the EOAC administration office.

Basis of Accounting

The combined financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States

(A Texas Nonprofit Corporation)

NOTES TO COMBINED FINANCIAL STATEMENTS YEAR ENDED APRIL 30, 2020

of America ("U.S. GAAP"), codified by the Financial Accounting Standards Board (FASB) into Accounting Standards Codification (ASC).

Combined Financial Statements Presentation

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 958-210, net assets, revenues, expenses, gains, and losses are classified based on the existence and nature or absence of donor-imposed restrictions. Accordingly, net assets of EOAC and changes therein are classified and reported as follows:

Net assets without donor restrictions— Net assets available for use in general operations and not subject to donor restrictions. Assets restricted solely through the actions of the Board of Directors are reported as net assets without donor restrictions, board-designated.

Net assets with donor restrictions— Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

In addition, EOAC is required by Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) Topic 958-205, *Not-for-Profit Entities-Presentation of Financial Statements*, to present statements of activities and cash flows.

When both restricted and unrestricted resources are available for use, it is the EOAC's policy to use restricted resources first, then unrestricted resources as they are needed.

Revenue Recognition

Generally, grants are recognized as revenues when earned. Grants that operate on a reimbursement basis are recognized on the accrual basis as revenues only to the extent of disbursements and commitments that are allowable for reimbursement. Revenues from contributions, donations and other sources are recognized as unrestricted or temporarily restricted revenues when received or unconditionally promised by a third party. Revenues from special events are recognized when the events are held. Interest income is recognized when earned based on the passage of time. Program income and other income are recognized the earlier of when received or when billed. Conditional promises to give cash or other assets are not recognized until received.

(A Texas Nonprofit Corporation)

NOTES TO COMBINED FINANCIAL STATEMENTS YEAR ENDED APRIL 30, 2020

Texas Education Agency Financial Accountability Guide

For all federal and state programs, the School uses the net asset classes and codes specified by the Texas Education Agency in the *Special Supplement to Financial Accountability System and Resource Guide* for nonprofit charter schools. Temporarily restricted net asset codes are used to account for resources restricted to or designated for specific purposes by a grantor. Federal and state financial assistance for the charter school received through the Texas Education Agency is generally accounted for in temporarily restricted net asset codes.

Cash

The Organization considers all monies in banks and highly liquid investments with maturities of three months or less from date of purchase to be cash equivalents. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

Grants Receivable

Grants receivable represent pending reimbursements of program expenses incurred as of yearend, both billed and unbilled, and expected to be received from the funding sources in the subsequent year. Management considers such receivables at April 30, 2020 to be fully collectible. Accordingly, no allowance for delinquent grants receivable was made in the accompanying financial statements.

Pledges Receivable

Unconditional promises to give are recognized as revenues in the period received and as pledges receivable. Promises to give are recorded at net realizable value if expected to be collected in one year and at fair value if expected to be collected in more than one year. Conditional promises to give are recognized when the conditions on which they depend are substantially met. There were no pledge receivables not as of year-end April 30, 2020.

Property and Equipment

Property and equipment are recorded at cost or, if donated, at their estimated fair value at the date of donation. Such donations are recorded as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire or maintain property and equipment are recorded as restricted contributions. Presently, the Organization does not have any assets which have donor-imposed restrictions.

(A Texas Nonprofit Corporation)

NOTES TO COMBINED FINANCIAL STATEMENTS YEAR ENDED APRIL 30, 2020

Organization's policy is to capitalize all asset acquisitions with the useful life expectancy of greater than one year and with a cost of \$5,000 or greater. Property and equipment are depreciated using the straight-line method over their estimated useful lives ranging from 3 to 30 years. Maintenance and repairs are charged to expense when incurred. Renewals and betterments that extend the useful lives of the assets are capitalized.

Compensable Absences

Annual leave time are granted to the Organization employees. Under Organization's policy for non-school employees, annual leave is provided to full-time employees and generally accrues up to a maximum amount based on an employee's years of service. Full-time school employees do not earn annual leave. They accrue personal leave days, based on the number of days worked, up to a maximum of 5 workdays annually. Accrued, unused personal leave for full-time employees carries over from year to year, for a maximum accrual of twenty (20) days. These days may be transferrable to another school district in Texas, depending on the policies of the specific district involved. Upon termination, employees will not be paid for any personal leave accumulation. Annual leave which is not used annually or during the funding period up to one hundred sixty (160) hours may be used in the succeeding year. The maximum amount of accumulated annual leave an employee may carry forward at the beginning of any new program year is limited to one hundred sixty (160) hours. Any leave accumulated beyond this will be lost. Upon termination, employees (except employees who have been employed less than ninety (90) days will be paid for all unused annual leave up to a maximum of one hundred sixty (160) hours. As of April 30, 2020, the liabilities for personal leave benefits was \$175,277 for EOAC and is reflected in the accompanying statement of combined financial position.

Unearned Revenue

Unearned revenue represents amounts received by the Organization, which have not yet been earned. Such amounts are recognized as revenue when earned, generally when expenditures have been incurred for purposes specified, or other applicable donor-imposed condition has been met.

Contributions

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in with donor restricted net assets. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

(A Texas Nonprofit Corporation)

NOTES TO COMBINED FINANCIAL STATEMENTS YEAR ENDED APRIL 30, 2020

Use of Estimates

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Significant estimates included in the Organization's combined financial statements relate primarily to the Foundation School Program revenue accrual which requires an estimate based on additional information provided to the State; the useful lives applied in asset depreciation, and; the functional allocation of expenses.

Donated Materials and Services

Donated materials and equipment are reflected as contributions in the accompanying combined financial statements at their estimated values at date of receipt. A substantial number of volunteers have donated significant amounts of their time to Organization's program services and fundraising efforts. Donations of services are classified as "In-kind" donations and are generally reflected on the combined financial statements as income with an identical offset to expense. In-kind donations are generally valued by the donor and may be used by the Organization to satisfy Head State grant requirements for a 20 percent (20%) match by the done.

Income Taxes

The Organization is a non-profit Organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (the "Code"), except on net income derived from unrelated business activities. For the year ended April 30, 2020, the Organization has determined that no income taxes are due for these activities. Accordingly, no provision for income taxes has been recorded in the accompanying financial statements. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and has been classified as an Organization that is not a private foundation under Section 509(a)(1) of the Code.

The Organization applies the provisions of FASB ASC Topic 740, *Income Taxes*, which prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. FASB ASC Topic 740 also provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

(A Texas Nonprofit Corporation)

NOTES TO COMBINED FINANCIAL STATEMENTS YEAR ENDED APRIL 30, 2020

Tax years 2017 - 2019 remain open to examination by the taxing jurisdictions to which the Organization is subject, and these periods have not been extended beyond the applicable statute of limitations.

Functional Allocation of Expenses

The costs of providing various programs and other activities of the Organization have been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited in accordance with Organization's cost allocation plan. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

New Accounting Pronouncements

In February 2016, the FASB issued Accounting Standards Update (ASU) 2016-02 – Leases (Topic 842), which supersedes existing guidance on leases and amends and supersedes a number of other paragraphs throughout the FASB ASC. This update will be effective for the School's 2021 annual financial statements. Due to COVID-19 pandemic, the proposed amended effective date is beginning after December 15, 2021, and to interim periods within fiscal years beginning after December 15, 2022. Management is currently evaluating the impact this update will have on the financial statements.

In August 2016, the FASB issued ASU 2016-15, Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments. This update provided clarified guidance on certain cash flow classification issues and will be effective for the Organization's 2020 financial statements. The Organization adopted ASU 2016-18 in 2020. The adoption resulted in no impact to the financial statements.

(A Texas Nonprofit Corporation)

NOTES TO COMBINED FINANCIAL STATEMENTS YEAR ENDED APRIL 30, 2020

2. PROGRAM SERVICES

Program Services – All programs, services, activities and functions are governed by the Economic Opportunities Advancement Corporation's Board of Directors.

Child Care Services – CCS provides eligible families with information that will allow them to make informed choices of child care arrangements.

Community Services Block Grant – To provide CSBG funds to CSBG eligible entities, who will utilize funds for the reduction of poverty, the revitalization of communities, and the empowerment of low-income families and individuals to become fully self-sufficient.

Comprehensive Energy Assistance Program – CEAP is designed to assist low income household in meeting their immediate energy needs and to encourage consumers to control energy costs for years to come through education. The CEAP involved integration of all LIHEAP-funded programs, thereby enhancing efficiency and effectiveness of services provided to clients and eliminating duplication of services.

Early Head Start – Provide low income families, single women and pregnant teenagers with educational and social services for infants and toddlers 0-3 years of age.

Full Year Head Start – Provides educational, social, nutritional, health and transportation services for eligible families for children 3-5 years of age.

Waco Charter School – Provide quality education for every student pre-kindergarten through fifth grade to the extent that each student has the skills, knowledge, and values needed to become productive and contributing citizens.

Weatherization Department of Energy – Designed to help low income customers control their energy costs through installation of weatherization materials and education. The program goal is to reduce the energy cost burden of low-income households through energy efficiency.

Weatherization Low Income Home Energy Assistance Program – WAP is designed to help low income customers control their energy costs through installation of weatherization materials and education. The program goal is to reduce the energy cost burden of low-income household through energy efficiency.

(A Texas Nonprofit Corporation)

NOTES TO COMBINED FINANCIAL STATEMENTS YEAR ENDED APRIL 30, 2020

3. CONCENTRATION OF CREDIT RISKS

Custodial credit risk is the risk that, in the event of the failure of a depository financial institution, the Organization will not be able to recover its deposits. Although the Organization does not have a formal deposit policy, it maintains deposits at federally insured banks and strives to minimize its exposure to custodial credit risks by maintaining deposits at institutions with demonstrated financial strength and through bank agreements with regards to pledging securities. Bank balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 per bank. The total cash maintained by the Organization in their banks as of April 30, 2020 which was subject to custodial credit risk was \$2,403,412, exceeded the FDIC insured limit by \$1,903,412. However, these amounts were sufficiently collateralized as of April 30, 2020 in accordance with EOAC's tri-lateral agreement with Bank of America and Bank of New York to mitigate custodial credit risk.

During the year ended April 30, 2020, the Organization recognized revenues of \$7,745,783 from the United states Department of Health and Human Services, which comprises 56% \$4,070,365 of its total support and revenue. Credit risk associated with grants receivable is minimal due to the credit worthiness of the federal, state, and local funding agencies.

4. OPERATING LEASES

The Organization leases office space and equipment under operating lease agreements with third parties.

The following is a schedule of future minimum lease payments under non-cancellable leases:

Year ending April 30,		
2021	\$	217,889
2022		190,163
2023		190,771
2024		164,079
2025		153,000
Thereafter		357,000
Total	\$	1,272,902

(A Texas Nonprofit Corporation)

NOTES TO COMBINED FINANCIAL STATEMENTS YEAR ENDED APRIL 30, 2020

5. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions amounting to \$4,169,113, as of April 30, 2020, and summarized below, represent contributions to the Organization, which the donors have restricted for use in future periods:

	 2020
Purpose Restrictions:	
CSBG Program	\$ 893
Child Care Services	37,894
Head Start Program	1,470,031
Weatherization Program	64,085
Home Program	20,108
Waco Charter School	 2,576,102
Total temporarily restricted net assets	\$ 4,169,113

6. MULTIEMPLOYER PENSION PLANS

The School contributes to the Teacher Retirement System of Texas (the "System" or "TRS"), a cost-sharing multiple employer defined benefit pension plan. Specific details related to the plan are disclosed in the School's audited financial statements for the year ended August 31, 2020.

7. DEFINED CONTRIBUTION PLAN

The Organization sponsors a qualified retirement plan under IRS section 403(b) for all employees working more than 1,500 hours. Contributions of 3% of employees' gross earnings are made to the plan each month. Employees are required to work one year to be eligible to participate in the plan. Enrollment occurs on the month following one year of service. The Organization made contributions to the 403(b) plan for the year ending April 30, 2020 in the amount of \$116,628, equal to the required contributions for each year.

8. COMMITMENTS AND CONTINGENCIES

The Organization receives grants from Federal, State and local sources that are subject to review and audit by the funding sources. Such reviews and audits could result in the discovery of unallowable activities and unallowable costs. Consequently, any of the funding

(A Texas Nonprofit Corporation)

NOTES TO COMBINED FINANCIAL STATEMENTS YEAR ENDED APRIL 30, 2020

sources may, at its discretion, request reimbursement for expenses or return of funds, or both, as a result of non-compliance by the Organization with the terms of the grants/contracts. In the opinion of the Organization's management, such disallowances, if any, would not be significant in relation to the combined financial statements of the Organization.

On March 11, 2020, the World Health Organization classified the global coronavirus outbreak (COVID-19) as a pandemic. On March 13, 2020, The Governor of Texas (the "Governor) declared a state of disaster for all Texas countries in response to the Pandemic. On March 19, 2020, the Governor issues Executive Order GA08 which temporarily closed schools in the State of Texas. Under the Texas Education Agency's (TEA) guidance, The School reopened remotely for all scholars on March 30, 2020 and finished the 2019-2020 school year remotely.

Due to the continuing uncertainties around COVID-19, TEA required all public and charter schools to delay in-person school for the 2020-2021 school until after September 7, 2020. Schools were permitted to start before that date as closed, instructing by providing instruction virtually. The School continues to take proper actions to maintain the health and safety of the employees and students of the School as well as regular operations of the School. TDHCA and Office of Head Start provided additional funding opportunities for additional COVID-19 resource needs. Funding occurred after April 30, 2020 and will be recorded in FY 20-21.

The School participates in grant programs which are governed by various rules and regulations of the grantor agencies; therefore, to the extent that the School has not complied with the rules and regulations governing the grants, refunds of any money received may be required and the collectability of any related receivable may be impaired. In the opinion of the School, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the respective grants; therefore, no provision has been recorded in the accompanying basic financial statements for such contingencies.

The Organization receives a significant portion of its revenue from funds provided through federal grants. These amounts are all appropriated each year by the federal government. If significant budget cuts are made at the federal or state level, the amount of the funds received could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds the Organization will receive in the next fiscal year.

(A Texas Nonprofit Corporation)

NOTES TO COMBINED FINANCIAL STATEMENTS YEAR ENDED APRIL 30, 2020

9. LIQUIDITY AND AVAILABILITY

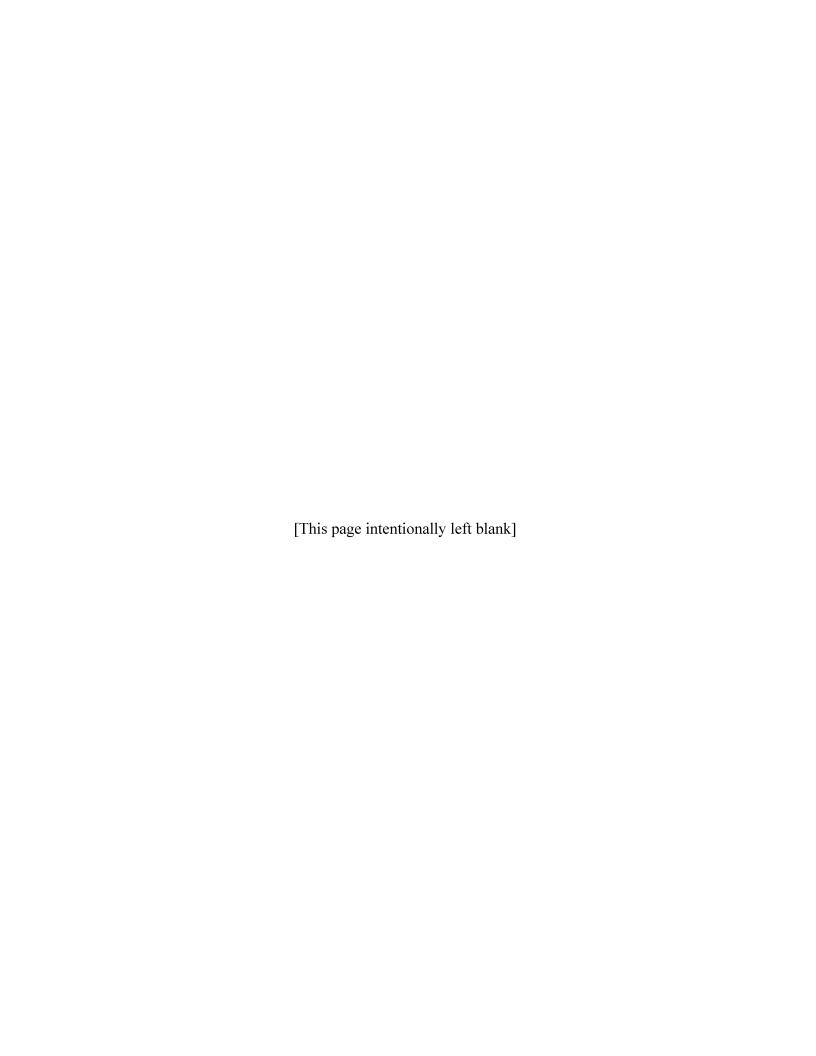

Financial assets available for general expenditure, that is without donor or other restrictions limiting their use, within one year of the date of the statement of financial position, comprise the following:

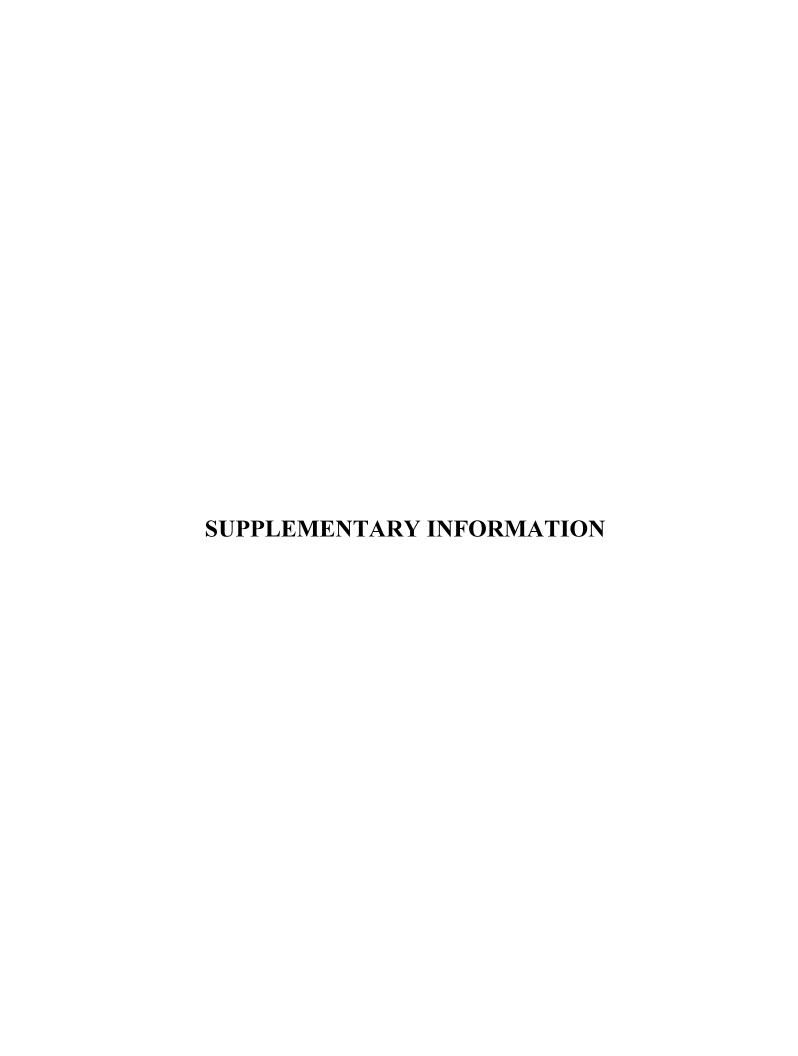

Cash	\$ 2,202,284
Receivables	646,636
	\$ 2,848,920

A majority of their cash is related to Waco Charter School. Per the Texas Education Agency, Foundation School Program revenues should be classified as revenue with donor restrictions. However, the funds do not have time restriction, but must be used for education purposes in accordance with State law. As such, part of their cash and receivables that are due from the State are available for use for educational purposes. EOAC monitors cash on a daily basis. All investments shall comply with the Public Funds Investment Act. The primary objective of investing for operating funds is to ensure that anticipated cash flows are matched with adequate investment liquidity.

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 25, 2021, the date combined financial statements were available to be issued. No changes were made, or are necessary to be made, to the financial statements, as a result of this evaluation.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS YEAR ENDED APRIL 30, 2020

1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes federal grant activities of EOAC under programs of the federal government for the year ended April 30, 2020. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of Organization's operations, they are not intended to and do not present the financial position, changes in net assets, and cash flows of EOAC as a whole.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Subpart E of the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

3. RELATIONSHIP OF THE SCHEDULE TO FINANCIAL REPORTS SUBMITTED TO GRANTOR AGENCIES

Amounts reflected in the financial reports filed with grantor agencies for the programs and the Schedule may not agree because of accruals which would be included in the next report filed with the agencies, matching requirements not included in the Schedule and different program year ends.

4. COMMITMENTS AND CONTINGENCIES

Federal grants received by EOAC are subject to review and audit by grantor agencies. Organization's management believes that the results of such audits will not have a material effect on the Schedule.

5. ELECTION TO USE 10% DE MINIMIS INDIRECT COST RATE

Economic Opportunity Advancement Corporation has elected not to use the 10% de minimis indirect cost rate allowed under uniform guidance.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF COMBINED FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditor's Report

To the Board of Directors of the Economic Opportunities Advancement Corporation of Planning Region XI

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined financial statements of the Organization, which comprise the combined statement of financial position as of April 30, 2020, and the related statement of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 25, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the combined financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control

4828 Loop Central, Suite 1000 Houston, TX 77081 Phone: 713.968.1600 Fax: 713.968.1601

WWW.MCCONNELLJONES.COM

MJ

that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Organization's combined financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

McConnell of Junes

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Independent Auditor's Report

To the Board of Directors of the Economic Opportunities Advancement Corporation of Planning Region XI

Report on Compliance for Each Major Federal Program

We have audited the Organization compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB)* Compliance Supplement that could have a direct and material effect on each of Organization's major federal program for the year ended April 30, 2020. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended April 30, 2020.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

MJ

Report on Schedule of Expenditures of Federal Awards

We have audited the combined financial statements of the Organization as of and for the year ended April 30, 2020 and have issued our report thereon dated January 25, 2021, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
