UPDATE MARCH 19, 2020

Waco Charter School will be extending our closure period from March 16 through April 3 as declared by Governor Abbott.

This is an effort to support our community and health care professionals in the ongoing goal of containing the spread of the novel coronavirus, or COVID-19.

Waco Charter School is finalizing logistics on distance learning. Teachers should be in contact with you to discuss completion of lesson plans and how you may get free internet access to utilize digital learning.

Continue to monitor our webpage for any additional communications. We will provide information and guidance as conditions change.

As a reminder, locations for curbside breakfast and lunch provided by Waco ISD was posted on our website and Facebook in a different communication.

Parents, for those of you who meet certain eligibility guidelines, our umbrella agency EOAC has a Comprehensive Energy Assistance Program (CEAP) to assist with utilities.

Contact our staff for more information at 254-756-0954 for further information or visit <http://www.eoacwaco.org>. Instructions for completing the application are on the website. Please make sure you include all documents with your application.

This is a quickly changing situation, and we will continue to monitor information, will assess conditions throughout the week, and will provide updates by website and Facebook.

Thank you for your support and cooperation as we ensure that all members of the community in Waco Charter School stay safe and healthy.

Sincerely yours,

Dorothy Marstaller
Superintendent
